Dear Sir/ Madam,

No scientific program can be successful without trade physician partnership. Glaucoma Society of India announces its 33rd annual conference, GlaucoCherry 2024 to be held at Suganya Conventional Centre, Puducherry, from **27th - 29th September, 2024**. GSI invites trade participation for the same.

Your company has a long association with Glaucoma Society of India.

I am sure, like all previous years, you will wholeheartedly participate in this annual event. Your participation will help in the progression of science and ultimately help in reducing visual disability caused by Glaucoma. The details for the sponsorship are given below. Please note that there is heavy discount for early confirmation with full payment up to 30 April, 2024.

Thanking you in anticipation

(Dr. Manav Deep Singh)
